Reverend Thomas A. Kopp
St. Anselm Parish
100 Landham Rd
Sudbury, MA 01776-3152

Dear Father Kopp:

Allow me this opportunity to express my gratitude for your having guided St. Anselm Parish to reaching the 2016 Catholic Appeal goal.

As you know, the Catholic Appeal provides the critical funds needed to sustain the work of 50 essential ministries in our Archdiocese of Boston. Especially in this Jubilee Year of Mercy, these valuable resources help those in our parishes and collaboratives grow deeper in relationship with the Lord and more fully experience His goodness and compassion. I am deeply appreciative of the significant effort you have given to providing the foundation for a successful Appeal, particularly in light of your many other responsibilities.

Please also share my heartfelt thanks with your parishioners who so generously made a commitment to supporting our Church through this year's Appeal. Their generosity of spirit will encourage others to participate in this life-giving work that helps us live our faith together as one family in Christ.

Asking God's blessings upon you and your parish community through the intercession of His Blessed Mother, I am,

Fraternally yours in Christ,

Archbishop of Boston
