

Dear St. Anselm Community,

You may have heard the good news last night that Cardinal Sean O'Malley has decided that St. Anselm will remain open! The date that was to be our last Mass will be our first Mass as a church. Father Jim DiPerri will be celebrating an outdoor Mass with us [this Saturday October 3 at 5:15 pm](#). Please bring a chair, wear your mask and maintain social distancing. Father Brent Otto will be concelebrating with Father DiPerri.

We are so grateful to the Cardinal for taking under advisement our situation and prayerfully considering our request to remain open. Our mission now is to grow our community and remain in Communion with Cardinal Sean.

There will be more details when a priest is assigned to St. Anselm, but we are moving forward now under the guidance of Father DiPerri to restore our ministries and celebrate all the gifts the Lord has given His faithful people.

God Bless Cardinal Sean and God Bless St. Anselm.
